

# INDIAN TONERS & DEVELOPERS LTD.

India's Largest Manufacturer and Exporter of Compatible Toners

...since 1992

celebrating its 29<sup>th</sup> year in excellence of toner manufacturing.

Indian Toners & Developers Ltd., India's largest manufacturer and exporter of compatible toners for use in laser printers, analogue copiers, digital machines and the new age MFP's is currently

Indian toners has always focused on quality. Only the best raw materials sourced from world renowned manufacturers are used in the manufacturing of its compatible toners. Toner technology experts from Japan & and chemical engineers from India form the R&D team of the company always innovating to meet the market needs.

It is also currently engaged in a project of further enhancing its toner production capacity by 600 metric tons, and a new Hosokawa Alpine line has been ordered which will be installed and should be up and running by April 2022. This was also mark the momentous occasion of 30 years of being in existence and also a market leader in India. With this Indian Toners will have a total manufacturing capacity of 4200 metric tons per annum, with 7 state of the art production lines.

ITDL also conducts tests on the compatible toners it manufacturers on different temperature and humidity conditions in its Environmental Test Chamber as per needs of specific customers located in various parts of the world. In all, a total of 44 different quality checks are performed on the product at various stages of production, packaging and testing, before they leave the factory premises. ITDL also follows the STMC (Standardized Test Methods Committee) method of testing.
