**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
FINANCIAL STATEMENTS OF INDIAN TONERS U.S.A. COMPANY**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **INDIAN TONERS U.S.A. COMPANY** ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

INDIAN TONERS U.S.A. COMPANY

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31.03.2020

1 ACCOUNTING POLICIES

i) General Corporate Information:

Indian Toners USA Company is a Company domiciled and incorporated in Florida(U.S.A.) under the state of Florida and is in the business of trading of Toners only . Indian Toners U.S.A. company is wholly owned subsidiary company of Indian Toners and Developers Limited incorporated in India.The company has been formed for the purpose of marketing and distribution of Toners to customers based in America.

ii) Basis of preparation of financial statements:

a) Functional and Presentation currency

These financial statements are presented in USD which is the Company's functional currency & converted in Indian Rupees (INR) for the purpose of consolidation. All financial information presented in USD & INR has been rounded to the nearest Lakhs (upto two decimals), except as stated otherwise.

iii) Use of Estimates

The preparation of the Financial Statements in conformity with the management to make estimates, judgments and assumptions. These estimates, judgment and assumptions affect the application of accounting policies and the reported amount of Assets and Liabilities on the date of the Financial Statements and reported amounts of revenues and expenses for the year. Accounting estimate could change from year to year. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to financial statements.

iv) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

v) Revenue Recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the probable consideration expected to be received in exchange for those products or services. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

vi) **Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the services are classified as Short Term employee benefits, which include benefits like salaries, incentives and contribution to 401(k) plan as it prevalent in USA, and are recognised as expenses in the period in which the employee renders the related services and measured accordingly.

vii) **Valuation of Inventories**

Inventories are stated at lower of cost or net realisable value. The cost for the purpose of valuation is computed on the basis of weighted average price. The cost comprises of Purchase price, direct labour, other direct costs, cost of conversion and appropriate portion of variable and fixed production overheads and such other costs incurred as to bring the inventory to its present location and condition. Net realisable value is the estimate of the selling price in the ordinary course of business, less the estimated costs of completion/reprocessing and the estimated cost necessary to make the sale.

viii) **Foreign Currency Transactions and Translations**

- a) Initial Recognition: Foreign currency transactions are recorded in the reporting currency (in USD), by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on/or closely approximating to the date of the transaction.
- b) Conversion: Foreign currency monetary items, if any are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- c) Exchange Difference: Exchange differences arising on the settlement of monetary items, if any or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year or reported in financial statements, are recognized as Foreign Exchange Translation Reserve.

ix) **Provisions and Contingent Liabilities**

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that may arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

x) **Cash & Cash Equivalents**

Cash and cash equivalents consist of cash in hand and balance with banks.

xi) **Income Tax**

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

xii) **Earnings Per Share**

Basic Earning Per Share is calculated by dividing the net profit for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

xiii) **Cash Flow Statement**

Cash Flow are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the company are segregated.

xiv) **Key accounting estimates and judgements**

- a) The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.
- b) Accounts of the Company (a wholly owned subsidiary of Indian Toners and Developers Ltd., a company incorporated in India), incorporated in USA.; based upon the returns and information received, have been made out as per requirement of Companies Act, 2013 of India. This entailed drawing up the Balance Sheet, Statement of Profit & Loss and Cash Flow Statement (including Auditor's Report thereon) of the subsidiary in a manner so as to make it appear conforming to Holding Company and its requirements of presenting the financial statements in accordance with Indian Accounting Standards notified under the provisions of Sec 133 of the Companies Act, 2013 of India read with Indian Accounting Standards (Rules) ,2015 , to facilitate the cause of consolidation with the holding company as required under Ind AS – 110 CONSOLIDATED FINANCIAL STATEMENTS, issued by ICAI and presentation of accounts in terms of Schedule III of the Companies Act, 2013 of India, including disclosure of necessary information.
